

Spend a school day as a *Padua Bruin* to experience what Padua Franciscan has to offer. Eighth graders are invited to shadow between September 12th and December 22nd. (*Seventh graders may shadow in the spring, if their school allows them to do so.) If you know a Padua student that you would like to shadow, we'll pair you with that student. If not, then we'll pair you with a student who shares some of your interests.

To schedule your personal visit, a parent must make arrangements at least one week in advance. Please call the Admissions Office at 440.845.2444, ext. 112, or complete and submit this request form and we will contact you by phone or email to confirm the appointment.
