ACAD Association of Catholic Admission Directors

The Association of Catholic Admission Directors (ACAD) is proud to present the 2010-2011 Catholic High School Directory. This Directory is a collaborative effort of the admission directors from the 20 ACAD membership high schools within the Diocese of Cleveland.

Catholic high schools in the Diocese of Cleveland continue to excel. Consider these statistics:

- National Merit Finalists in 2010: 35
- National Merit Semi-Finalists in 2010: 30
- National Merit Commended Scholars in 2010: 82
- Over 93 percent of the Class of 2010 graduates are enrolled in colleges or universities
- Graduates of the Class of 2010 earned over \$184 million in college scholarships

Each Catholic high school provides an outstanding education within the context of the Catholic faith tradition. While similar, each school is different with its unique mission, curriculum, and extra-curricular opportunities. As you consider your options, we recommend your reviewing the grid on pages 6 and 7 for an overview of each school, then directly contacting the schools for more information. We also recommend that you attend open houses and high school nights. The high schools and Catholic elementary schools host these events so that you may learn more about your choices. Mark your calendar now for the upcoming high school nights listed below.

Thank you for allowing us to help you choose a Catholic high school. Our contact information is listed on pages 4 and 5. Please let us know how we can be of further assistance.

HIGH SCHOOL is right around the corner...what should I do?

How do I start my high school selection process?

- Take Admissions/Placement/Scholarship test(s) in the fall of eighth grade at Catholic high schools.
- Maintain good grades, good conduct, good attendance. Continue to be involved in school and community events.
- Review class offerings and get to know the basics about the high schools. Examine which tuition assistance programs meet your needs.
- Inquire about the individual high school's admission criteria.
- Students currently receiving Cleveland Scholarship and Tutoring Program vouchers or EdChoice scholarships must verify that the school they are considering participates in the program.
- Remember that some high schools offer programs for students with special needs; however, the number of spaces is limited.
- Begin to narrow your list of high school choices.

What if I am not sure about the high school I want to attend?

- Talk with parents, teachers, clergy, and high school students to get their input on the school that best meets your needs spiritually, academically, and socially.
- Attend Open Houses at the high schools with your parents.
- Attend High School Information Nights at your grade school with your parents.
- Call to spend a day at the high schools you are considering (shadow days).

How do I apply to a Catholic high school?

- You will receive a Diocesan application from your eighth grade teacher during the week of January 10-14, 2011, if you attend a Catholic school.
- List your first-choice school on the **Diocesan application** and an alternate second choice in case your application is denied at your first choice.
- Please understand that during the **Diocesan "hands-off period,"** which is January 10 through February 10, 2011, Catholic high schools are not permitted to initiate contact with any family whose eighth grader has not applied to that high school.

What if I attend a non-Catholic grade school?

- Request official records from your current school to be sent to the high school to which you have applied. Each high school's requirements for records vary; however, you must include at least the following:

- Complete transcript of 7th and 8th grade records
- Your most recent standardized test scores
- A report card for the first semester of eighth grade

Are scholarships and tuition assistance available?

- Yes. Contact each high school you are interested in for details on how and when to apply for scholarships and financial aid. In general, it is recommended to apply as early as possible for assistance.
- EdChoice and Cleveland Scholarship and Tutoring Program vouchers may not cover the entire cost of tuition. Check with the individual high schools for information on your financial responsibility.

Must I complete a separate tuition assistance application for each Catholic high school?

- All Catholic high schools require a tuition assistance application.
- The Private School Aid Service (PSAS) application is used by many Catholic high schools. You would include all high school codes on one PSAS application.
- In addition, PSAS accepts one tuition assistance application per family (Catholic elementary and Catholic high schools).
- Some Catholic high schools require a different tuition assistance application. Contact that particular high school for information.

How will I know if I am accepted?

- Admissions decisions from the high schools will be mailed to the students on February 10, 2011.

What if I am not accepted at my first-choice school?

- Records are sent to the second-choice school by February 10, 2011, if students are denied admission to the first-choice school.
- Records of students who have been denied admission to a second-choice school are sent to the Diocese and then returned to the grade school, which will assist the family in placing the student in a Catholic high school, if possible.

How do I register after I am accepted?

- You will be notified of registration procedures by the individual high school.
- A deposit or registration fee may be required to reserve a place in the Class of 2015.
- Ask questions about the tuition and any additional fees.

What should I do if I miss any of these deadlines?

- Families must contact the Catholic high school to request information about admission.
