St. Francis Scholarship Fund

This fund is designed to assist applicants to Padua Franciscan High School who otherwise could not afford a Catholic education without assistance. Recipients of the St. Francis Scholarship Fund may be awarded from $1,000 to $3,000, renewable each year, toward a Padua Franciscan tuition.

What you need to know:

- As the number of scholarships is limited, the successful applicant will demonstrate good character, academic success, and financial need.
- **Applications must be postmarked by November 15, 2019**. A scholarship committee will notify applicants of their decision by letter in early January 2020.

What you need to do:

- Complete this form by November 15, 2019.
- Complete the FACTS Grant-Aid Assessment application online.
- Take the Padua Placement Test.

How the scholarship works:

This is a renewable, four-year scholarship to Padua Franciscan High School. Best of all, the amount of the St. Francis Scholarship awarded annually is above and beyond any other Padua* or diocesan financial aid or scholarships you may receive!

To be considered for renewal, you must continue to **demonstrate financial need**, and **maintain a cumulative GPA of 2.5 or better at the end of the second semester**. In addition, **the balance of your previous year's tuition obligation must also have been satisfied.**

Renewing your scholarship award each year is easy! Simply complete and submit a FACTS Grant-Aid Assessment Application. Unless your family financial situation or academic record changes from year to year, the amount of your St. Francis Scholarship award will remain the same.

* You may also qualify for a Padua Academic Scholarship, Music Scholarship, and multiple student discounts.

Applications should be postmarked by 11/15/2019

Part 1: *Personal Information*

Name of Student _____ M ___ F ___
Last First M.I.

Home Address: _____
Street City Zip

Home Telephone: (_____) _____ Date of Birth: _____

School Now Attending: _____

If you do not attend Padua, which school do you plan to attend?

_____
