**PARKING PASSES WILL BE DISRIBUTED SOME TIME IN THE FIRST FEW WEEKS OF SCHOOL.  
LISTEN FOR ANNOUNCEMENTS.**

# PADUA PARKING REGULATIONS FOR 2020-2021

## AUTOMOBILES

Padua considers driving an automobile a privilege to be accorded only to those students who demonstrate maturity commensurate with the serious responsibility of operating a motor vehicle. Driving to Padua is an even more serious responsibility because of the close proximity of St. Anthony of Padua School.

Faculty, Staff, Seniors and Juniors will be granted assigned parking spots first. Sophomores will be granted a parking spot only if spots are available. Sophomores are not permitted to park at Padua unless Mr. DiRocco grants permission.

All students who wish to park their vehicles on Padua premises are governed by the following norms:

1. **The cost of a permit is \$150 per year. Students must complete the parking form and place it in an envelope along with the payment (check or money order) to the Attendance Office.**
2. Failure to follow the directions of a parking lot supervisor will result in the loss of parking privileges.
3. Students are to park in their designated spots only. No student is to park against the school building, or on any side street. Parking is allowed only in the designated areas since clearance for buses and emergency vehicles must be maintained at all times.
4. Through the generosity of the Pastor of St. Anthony's, we have been given permission to use a limited number of specific parking spaces in their lot. All of the rules and regulations in this section, which are related to parking and driving, apply to these spots. Absolutely no other cars will be permitted to park anywhere on St. Anthony's property (in front of or behind the church and school.)
5. Speed is not to exceed 15 mph while on school property.
6. Courtesy, safety and consideration for others are expected of every driver.
7. Parking permits must be displayed while using the parking lots during the school hours. Driving without a parking permit will result in a parking ticket plus detention for subsequent offenses.
8. No student is permitted to go to a car during the school day.
9. Littering or throwing objects from cars is prohibited.
10. Padua is not responsible for the safety of any car or its contents.
11. Once a student arrives in the parking lot, he/she is to remain on the premises.
12. No one permitted to sit in a car or allow anyone else to do so after arriving on school property.
13. Entrance to and exit from the premises is to be made by means of the main driveway to State Road or Reister Street. Exiting and entering via St. Anthony driveways is not permitted.
14. Students and parents are reminded that traffic flow is one way from the front to the back on the west end of the building at all times.
15. School buses that transport our students to and from school are on very tight schedules. Therefore, as buses are in the process of exiting the property, cars are not permitted to cut in line ahead of them.
16. Motorcycles, large trucks, vehicles with plows or any other vehicle that may be deemed a safety hazard are not permitted in the parking lot.
17. The racing of engines or playing of loud music is prohibited.
18. **Failure to abide by these rules will result in a parking ticket being issued.** The fines levied for these tickets are **\$10.00**. All parking **finances must be paid at the Attendance Office** within five (5) calendar days of issuance. Failure to do so will result in a \$20.00 fine.
19. Serious or repeated offenses will result in school suspension and/or suspension of driving privileges or, if necessary, towing.

**Please save this sheet for future reference**
