

# STUDENT OBSERVATION AUTHORIZATION FORM PADUA FRANCISCAN HIGH SCHOOL

It is the policy of Padua Franciscan High School to have our School Psychologist observe applicants that have an IEP/ISP and ETR Plan or a 504/SEGO Plan. The purpose is to provide a closer look at a how a student's needs are being addressed in a classroom setting with the accommodations that are outlined in the paperwork. The observation is sometimes done in the student's school and/or when the student shadows at Padua.
