

Fundamentals of MyPad – Parent View

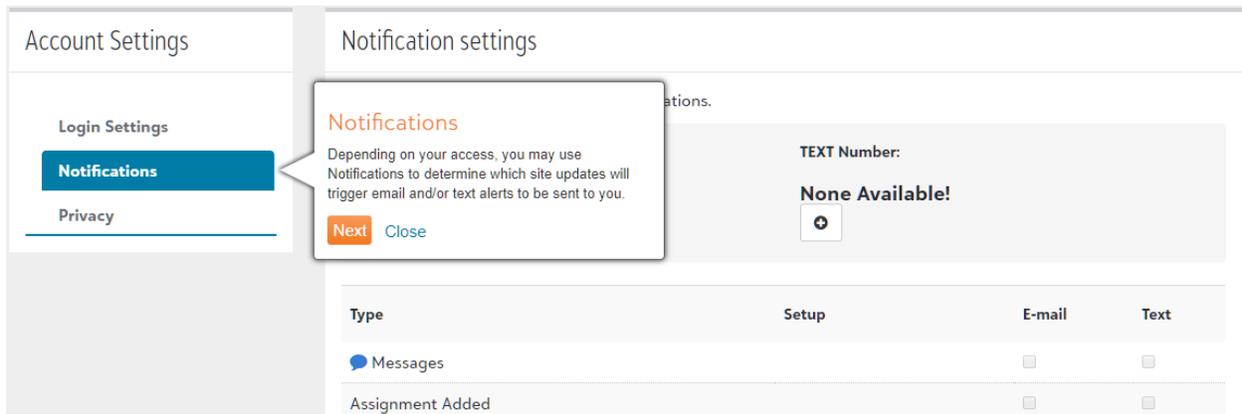

Clicking on Your name in the upper right hand corner gives you a variety of options. Selecting Profile will take you to your Contact Card, where you can check the accuracy of your information.

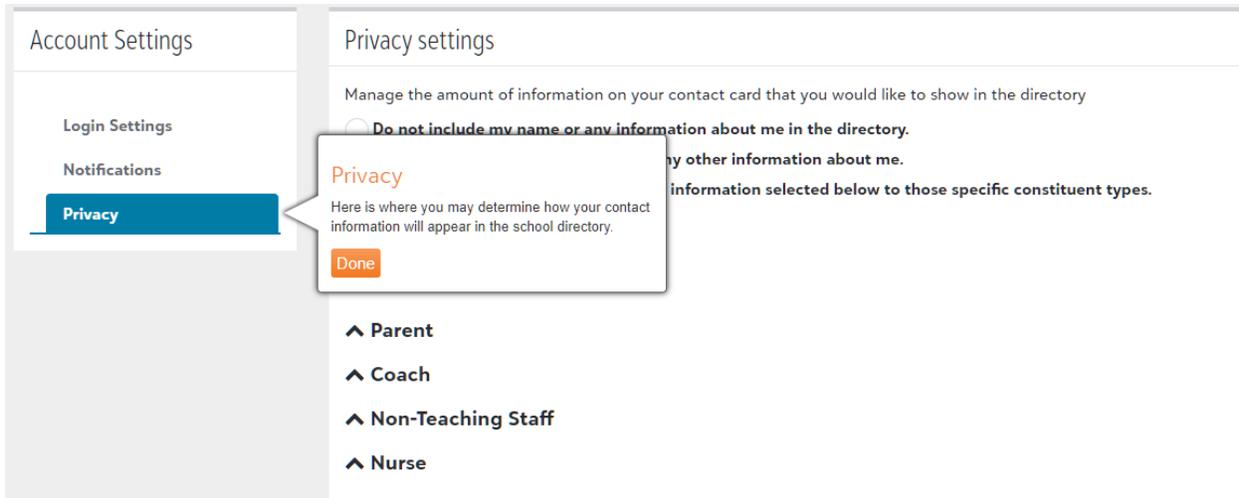

If you find an error or need any of the information changed, please contact mypadhelp@paduafranciscan.net.

Under Settings, you have the ability to setup Notifications, and to modify your Privacy Settings.

In the Notification Section, you may select email and/or add text notifications to your mobile phone for your child's assignments, and class announcements. Athletic notifications are currently not in use but may be utilized in the future.

Under Privacy Settings, you may opt out of the Parent Directory, Have only your name showing, or determine what specific information you want available to each group in MyPad.

Manage the amount of information on your contact card that you would like to show in the directory

- Do not include my name or any information about me in the directory.
- Include my name but do not include any other information about me.
- Include my name and only the specific information selected below to those specific constituent types.

As little or as much as you like, you have total control over your public information.

On the top left-hand of the MyPad screen, you will see your child or children listed.

Here you can view your child's Progress at a glance, or see their daily/weekly schedules. In some cases schedules may not be viewable until the classes become active.

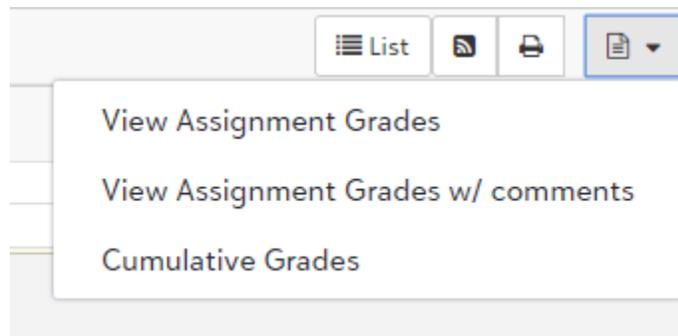

Your child's Assignments can be viewed on the Assignments tab.

Assignments

Medical Terminology - 1	Test	Test 4* Assessment	8/1/2018	8/13/2018	

The Assignment view can be sorted and filtered in a number of ways. The view can be changed from List to grid, and printed.

The Document icon in the upper right hand of the Assignments view allows you to generate reports that can be downloaded or exported to a PDF file or spreadsheet.

Calendars can give you a view of school events, your student’s assignments, and other school related activities in one area.

The screenshot displays a calendar application interface. On the left is a sidebar titled "My View" with a "Restore" and "Save" button. Below this are sections for "My Calendars" (with an up arrow), "Francis's Calendars" (with an up arrow), and "School Calendars" (with an up arrow). The "Francis's Calendars" section includes "Show All" and "Hide All" buttons, and a filter menu for "Assignments" with a dropdown arrow. The filter menu is expanded to show several categories, each with a checkmark: "Medical Terminology - 1", "Test Course - Medical Terminology - 1", "Test Course - Rich Kirkpatrick - 1", "Test Course - Tony Shuman - 1", and "Test Course -Sue Fatica - 1". Below the filter menu are three more categories: "Schedule" (with a pink square), "Class Events" (with a blue square and a right arrow), and "Group Events" (with a red square).

The main calendar area shows a grid of days. The top row shows "Sun" (29) and "Mon" (30). The second row shows assignments for Sun 29: "Exercise 8-The Respiratory System (Francis)", "Exercise 9-The Blood System (Francis)", "Test 3 (Francis)", "Exercise 10: The Endocrine System (Francis)", and "Test 1 (Francis)". The third row shows "Sun" (5) and "Mon" (6). The fourth row shows assignments for Sun 5: "Exercise 8-The Respiratory System (Francis)", "Exercise 9-The Blood System (Francis)", "Exercise 10: The Endocrine System (Francis)", and "Test 4* (Francis)". The fifth row shows "Sun" (12) and "Mon" (13). The sixth row shows assignments for Sun 12: "Test 4* (Francis)". The seventh row shows events for Mon 13: "9:00a Golf: Boys Varsity Tournament vs Bruin" (8:30), "11:30a Golf: Boys JV Tournament vs Amherst" (9:00), "6:00p Parents Club Meeting" (9:00), "Golf: Boys JV Game vs Archbishop Hoban (I)" (9:00), "10:00a Peer Ministry" (2:00), "2:00p MB Summer Rehearsal" (5:00), "4:00p Golf: Girls Varsity Game vs Nordonia" (5:30), "5:00p MB Team Dinner" (6:00), and "5:45p MB Pictures" (6:00). There is also a "7:00" event listed at the bottom right.

You can filter specific events by checking or unchecking categories on the left side. You can save that view as your default or reset it at any time.
