## Padua Unveils SuperFan Student Engagement App

PARMA, Ohio – (September 9, 2021) Padua (PAD-oo-uh) Franciscan High School announced the release of the *Padua Franciscan AlwaysABruin* SuperFan mobile app in September 2021. The Catholic coed high school is the first in the area to do so.

School leadership worked with SuperFan, which is one of the leaders in student engagement, at hundreds of colleges and universities nationwide. The app will enhance and allow students to earn rewards for their unending loyalty by attending Padua events.

“We talked about different ways to engage our students and this app is a natural fit,” said Principal Bob DiRocco. “In just a few weeks, students have shown great participation and support of the app. We’re excited to offer this enhanced experience to our students, prospective students and employees right now.”

Bruins can earn 15 points for attending Padua athletic events, fine arts performances and club meetings. They can also earn points by correctly answering trivia questions and participating in photo challenges. Students can earn prizes like Padua gear, gift cards, class socials and lunch with friends.

The mobile app is free and can be downloaded on iPhone or Android devices by searching for Padua Franciscan AlwaysABruin.
